PLASTIC COVER L-LINE BLACK

PROLED®

L-LINE KUNSTSTOFFABDECKUNG SCHWARZ

Mit dem PROLED PLASTIC COVER BLACK stehen Ihnen weitere Designmöglichkeiten für lineare Lichtenwendungen in Verbindung mit den PROLED ALUMINIUM PROFILEN in schwarz zur Verfügung. Im ausgeschalteten Zustand ist das PROLED PLASTIC COVER komplett schwarz. Sobald der LED Streifen eingeschaltet wird, verwandelt sich die schwarze Linie in eine illuminierte Linie.

L-LINE PLASTIC COVER BLACK

With the PROLED PLASTIC COVER BLACK we offer you more design possibilities for linear lighting designs together with the PROLED ALUMINIUM PROFILES. If the light is switched off the PROLED PLASTIC COVER is totally black. If you switch on the LED strip the black line changes to an illuminated line.
