- **Contemporary, yet timeless design**
Slim and elegant
Tiltable head, possible to adjust light direction

The MIB series has been extended with an elegant and minimalist spot for ceiling mounting. The spot has been developed to be mounted directly over the power outlet in the ceiling. Therefore, there is no on/off on the lamp – this is controlled by your switch in the wall. The sleek and adjustable lamp head can be directed to where you need the light. The beautiful and simple design gives a minimalist expression and will fit into many styles and interior settings. MIB series is designed by Bønnelycke mdd.
